Additional Backup Information

The 2013 Miscellaneous Streets Fog Seal Project is a preventive maintenance project for selected neighborhood streets across the City of Austin. The project will involve the application of tire rubber modified surface seal to 70 lane miles of roadway. Any crack sealing that is required to repair the streets in preparation for the fog seal application is included in the contract.

The contract allows 60 calendar days for completion of this project. This project is located at various streets throughout the City of Austin and is managed by the Public Works Department.

Alpha Paving Industries, LLC is located in Round Rock, TX.
