Additional Backup Information

At the request of the Texas Department of Public Safety, the Office of the Medical Director will provide medical direction services to the Texas Department of Public Safety within the City of Austin, Travis County and the Texas Department of Public Safety sites across the State of Texas.

Medical direction services shall include the following:

- Medical direction for First Responder Organizations within Texas DPS facilities.
- Medical oversight of Automatic External Defibrillator (AEDs) programs within Texas DPS facilities across the State of Texas.
- Provision of continuing medical education for Texas DPS First Responders.
- Provision of medical oversight and credentialing to all Texas DPS First Responder personnel who are certified by the Texas Department of State Services and who will be providing EMS care under the Tx DPS First Responder Organization.
