Subject: Independent Citizens Redistricting Commission (Commission) Applicant Pool Update

At the March 22, 2013 meeting of the Applicant Review Panel, Austinites for Geographic Representation submitted a letter requesting that action be taken related to seven applicants for the Commission. The letter requested that three Commission applicants be removed from the applicant pool. My staff conducted follow-up work related to this request and each of those three applicants withdrew from the pool.

Further, the letter requested that four Commission applicants be reviewed for potential disqualifying conflicts of interest. Again, my staff conducted follow-up work related to this request and one applicant withdrew from the pool. We determined that the remaining three applicants did not have a disqualifying conflict of interest and each of those applicants remains in the pool. The affected applicants are:

Name	Applicant Number	Status
Abraham Minjarez	10337	Withdrew
Kenneth Pfluger	10509	Withdrew
Suzanne Zarling	10480	Withdrew
Anna Martin	10112	Withdrew
Jason Cheng	10354	Included
Jeffrey Scott	10118	Included
Dwayne Shoppa	10422	Included

We have posted this information to the 10-ONE website. I am requesting that you communicate this information to the members of the Applicant Review Panel.

If you have any questions, please feel free to contact Patrick Johnson, project manager for the Redistricting Process, at 974-1333.
