Additional Backup Information

The roadway improvement to Frate Barker Road by Travis County will require relocation of approximately 2,000 linear feet of 12-inch and 3,750 linear feet of 16-inch existing City of Austin water lines, including appurtenances. The City of Austin and Travis County have agreed to include the construction of these relocations in the County's contract.

The City shall place the City's funds into an approved County construction escrow account for the City project 21 days after notification to the City by the County of the successful bidder and the bid amount. This amount is currently estimated at \$1,850,500.

The City agrees to pay all costs of inspection and testing of the City project and agrees to reimburse the County all construction costs of the City project, including the cost of any change orders made necessary by field changes to address unanticipated conditions under the terms and conditions in this agreement. The County shall obtain the written approval of the City for all change order requests for the City project prior to the County issuing the approved

change order to the contractor.

This project is located within zip code 78748 and is managed by the Public Works Department.
