B. Summary of application scores for precinct 4 and students

**Liaison Gutierrez reviewed the scores from Precinct 4, students, and the applicants from Williamson County. Liaison Gutierrez said she also included the breakdown of applicants by gender and race as previously requested at the last meeting, and will go back and add this breakdown to the other previous scored precincts as well. Liaison Gutierrez noted that her action item is to provide to member Feller the revised applicant list from the Auditor's office, which includes the one late applicant. Upon review of the scores, member Limaye proposed to adopt a strategy to promote one student going forward in this round and for one student to go forward in the next round; member Feller agreed on this proposal. Top three students from each precinct will be ranked from 1-3, with 1 being the highest score. Liaison Gutierrez stated will fold in the Williamson county applicants with precinct one and will have that data provided at the next meeting. Per the members' requests, Liaison Gutierrez will provide a map of all the applicants who have received a score of all 3's, as well as a percentage of the precincts that are inside the City. Member Limaye stated she will send a list of precinct 1 applicants to be reconsidered by member DeFrance; the list will be sent to Liaison Gutierrez for forwarding.**
