**Additional Backup Information**

During design it was determined there is a need to install new water lines in Cameron Road from the Howard Lane intersection to Gregg Lane, and to extend the Howard Lane work to the east of Cameron Road.

This amendment to the Interlocal Agreement provides for the required additional design service, milling and overlaying with asphalt approximately 300 linear feet of the existing Howard Lane, full depth street reconstruction of Cameron Road from Howard Lane to Gregg Lane, the relocation of 758 linear feet of 12-inch diameter water line, the installation of 2,023 linear feet of 12-inch diameter water line, and various storm drainage improvements within Cameron Road from Howard Lane to Gregg Lane.

Based on Travis County's contract letting schedule, the project is expected to advertise in May 2013 with construction beginning in October 2013.

This project is located within zip code 78660 and is managed by the Public Works Department.
