LEGAL DESCRIPTION: Subdivision - Glenwood Addition

W 28' of Lot 1 +  
W 28' of N 15.33'  
of Lot 2 Lot(s) Block 15 Outlot 32 & 33 Division B

I/We WILLIAM HODGE AIA on behalf of myself/ourselves as authorized agent for

HEMMASI MAJID, SEYED MIRI affirm that on April 2, 2013,

hereby apply for a hearing before the Board of Adjustment for consideration to:

(check appropriate items below)

☒ ERECT ☐ ATTACH ☐ COMPLETE ☐ REMODEL ☐ MAINTAIN

A new single-family residence on the aforementioned parcel of land (1876 sf in area)

in a SF-3-NP district.  
(zoning district)

NOTE: The Board must determine the existence of, sufficiency of and weight of evidence supporting the findings described below. Therefore, you must complete each of the applicable Findings Statements as part of your application. Failure to do so may result in your application being rejected as incomplete. Please attach any additional support documents.

**VARIANCE FINDINGS:** I contend that my entitlement to the requested variance is based on the following findings (see page 5 of application for explanation of findings):

**REASONABLE USE:**

1. The zoning regulations applicable to the property do not allow for a reasonable use because:

...the parcel of land in question, at 1876 sf in area, is smaller than the 2500 sf minimum lot size required to construct a single-family residence on a lot zoned SF-3-NP in a neighborhood that has adopted the Small Lot Amnesty special infill tool. As such, the parcel of land is rendered intrinsically useless and valueless unless a variance from lot size is granted.

**HARDSHIP:**

2. (a) The hardship for which the variance is requested is unique to the property in that:

...the parcel of land in question was created by taking portions of its constituent lots to an extent only enough to endow a minimum amount of surrounding land to the owner of the residence which previously occupied the parcel (said residence was demolished without permit between 1988 and 1997). A transaction involving this parcel, in its current configuration, was entered into the deed records of Travis County, Texas, on August 29, 1951.

- (b) The hardship is not general to the area in which the property is located because:

...there are no parcels of land of this size or smaller in the immediate area. The parcel of land in question was determined to be exempt from the requirement to plat in 2013. Owners of other parcels of land in the area that are similarly exempted from the requirement to plat, have been able to utilize their parcels of land to maintain and/or construct single-family homes in accordance with the zoning district and neighborhood plan.

**AREA CHARACTER:**

3. The variance will not alter the character of the area adjacent to the property, will not impair the use of adjacent conforming property, and will not impair the purpose of the regulations of the zoning district in which the property is located because:

...the construction proposed will not exceed the size and setback precedents established by adjacent properties (including specifically the house constructed next door in 2012); the construction proposed will not physically restrict the occupants of adjacent properties from the beneficial use of their homes; and, the construction proposed will conform to the size and setback restrictions imposed by SF-3-NP zoning. In contrast to previous applications for variance related to this property, this application seeks no variances from setback and/or size restrictions imposed by the requirements of SF-3-NP zoning and the Residential Design Guidelines of the LDC.

**PARKING:** (Additional criteria for parking variances only.)

Request for a parking variance requires the Board to make additional findings. The Board may grant a variance to a regulation prescribed Section 479 of Chapter 25-6 with respect to the number of off-street parking spaces or loading facilities required if it makes findings of fact that the following additional circumstances also apply:

1. Neither present nor anticipated future traffic volumes generated by the use of the site or the uses of sites in the vicinity reasonable require strict or literal interpretation and enforcement of the specific regulation because:

n/a

2. The granting of this variance will not result in the parking or loading of vehicles on public streets in such a manner as to interfere with the free flow of traffic of the streets because:

n/a (for the Board's information, the two parking spaces required by SF-3 zoning guidelines will be accommodated onsite)

3. The granting of this variance will not create a safety hazard or any other condition inconsistent with the objectives of this Ordinance because:

n/a

4. The variance will run with the use or uses to which it pertains and shall not run with the site because:

n/a

**NOTE:** The Board cannot grant a variance that would provide the applicant with a special privilege not enjoyed by others similarly situated or potentially similarly situated.

TRAVIS COUNTY, TEXAS, ACCORDING TO THE PLAT OR MAP OF  
RECORD IN VOLUME 2, PAGE 154, OF THE PLAT RECORDS, TRAVIS  
COUNTY, TEXAS.

I/We NATHAN MAULDING & LACEE DUKE on behalf of  
myself/ourselves as authorized agent for HEMMASI MAJID, SEYED MIRI  
affirm that on September 24, 2012, hereby apply for a hearing before  
the Board of Adjustment for consideration to:

X ERECT ATTACH COMPLETE REMODEL MAINTAIN

WE ARE REQUESTING PERMISSION TO BE GRANTED SMALL LOT  
AMNESTY FOR A SUBSTANDARD VACANT LOT, LEGALLY  
SUBDIVIDED PRIOR TO 1995, SO THAT A SINGLE FAMILY  
RESIDENCE CAN BE ERECTED. THE LOT IS 1876 SQFT, WHICH IS  
24.96% SMALLER THAN WHAT IS THE LEGAL MINIMUM TO BUILD  
ON IN A RESIDENTIAL SF3-NP DISTRICT UNDER SMALL LOT  
AMNESTY DESIGNATION. IN ADDITION, IN ORDER TO ACHIEVE OUR  
IDEAL HOME DESIGN AND THE BEST USE OF THE LOT, WE  
REQUEST THAT OUR FRONT SETBACK BE REDUCED TO 8 FEET, AS  
THE SUPPLEMENTAL MATERIAL WILL SHOW AN AVERAGE OF 15  
FEET FRONT SETBACKS EXISTS IN NEIGHBORING HOMES AROUND  
THIS LOT AND AN 8 FOOT SETBECK REQUEST IS COMPLIANT WITH

THE SPECIAL NEEDS OF THIS UNIQUE LOT. FURTHERMORE, OUR BUILDING DESIGN WILL COMPLY WITH THE OTHER TRADITIONAL SETBACKS OF 5 FEET ON EITHER SIDE AND 10 FEET IN THE REAR, NEEDING NO ADJUSTMENTS.

**VARIANCE FINDINGS: I contend that my entitlement to the requested variance is based on the following findings (see page 5 of application for explanation of findings):**

**REASONABLE  
USE:**

1. The zoning regulations applicable to the property do not allow for a reasonable use because:

CURRENT RESIDENTIAL ZONING REGULATION DOES NOT ALLOW OWNER TO BUILD A SMALL SINGLE FAMILY RESIDENCE ON THE LOT BECAUSE THE PROPERTY IS UNDER THE MINIMUM 2500 SQFT. APPLICANT IS THEREBY REQUESTING SMALL LOT AMNESTY ZONING FOR THIS 1876 SQFT. LOT SO THAT A RESIDENCE CAN BE BUILT. WITHOUT BEING GRANTED A VARIANCE THE PROPERTY CANNOT BE USED AS A RESIDENCE, AS IT IS ZONED AND INTENDED TO BE.

**HARDSHIP:**

2. (a) The hardship for which the variance is requested is unique to the property in that:

THE PROPERTY WAS UNIQUELY SUBDIVIDED OUT OF LOT 1 AND 2 OF BLOCK 15, CONSEQUENTLY CREATING A 1,876 SQFT LOT THAT BY CITY OF AUSTIN'S MINIMUM REQUIREMENTS IS TOO SMALL TO BE BUILT ON. THE HARDSHIP IS THAT WITHOUT THIS VARIANCE REQUEST BEING GRANTED, THIS LOT WILL FOREVER SIT VACANT, SUBJECT TO DEBRIS AND TRASH COLLECTION AS IT IS CURRENTLY, AND UNDEVELOPED IN A NEIGHBORHOOD THAT HAS OPTED TO SUPPORT INFILL AND URBAN DENSITY IN THE AUSTIN COMPREHENSIVE PLAN OF THE CHESTNUT NEIGHBORHOOD.

- (b) The hardship is not general to the area in which the property is located because:

THE PROPERTY IS THE ONLY LOT UNDER 2,500 SQFT. ON THE BLOCK, SO NEIGHBORING PROPERTY OWNERS HAVE THE BENEFIT OF UTILIZING THEIR LAND AS A RESIDENTIAL HOMESTEAD. SMALL RESIDENTIAL LOTS ARE HOWEVER, NOT UNIQUE TO THE AREA. SEVERAL PROPERTIES IN THE CHESTNUT NEIGHBORHOOD CURRENTLY HAVE SMALL LOT AMNESTY STATUS.

**AREA CHARACTER:**

3. The variance will not alter the character of the area adjacent to the property, will not impair the use of adjacent conforming property, and will not impair the purpose of the regulations of the zoning district in which the property is located because:

WE ARE REQUESTING PERMISSION TO BUILD A SINGLE FAMILY RESIDENCE IN A NEIGHBORHOOD THAT IS ZONED RESIDENTIAL. THERE ARE NO INTENTIONS TO ALTER THE CHARACTER OF THE CHESTNUT NEIGHBORHOOD. RATHER, THE INTENT IS TO INFILL A VACANT LOT WITH A SMALL HOME THAT WILL SERVE AS THE OWNERS' PRIMARY HOMESTEAD. AS THE ATTACHED RENDERINGS WILL SHOW, THE REQUEST IS TO OBTAIN THE LEGAL PERMISSION TO BUILD A HOME IN SCALE TO THE LOT AND THE NEIGHBORS' HOMES. IT IS NOT A PROJECT TO MAXIMIZE SQUARE FOOTAGE FOR RESALE. EVERY ADJACENT PROPERTY IS ZONED AND BUILT AS SINGLE FAMILY RESIDENCES, AND THE REQUEST IS TO ALLOW A RESIDENCE TO BE BUILT, JUST AS THE ORIGINALL ZONING PLAN INTENDED. THE PROPERTY WILL NOT IMPAIR ACCCESS OR USE OF ADJACENT PROPERTIES, BUT RATHER INFILL A NEIGHBORHOOD THAT HAS SEVERAL VACANT LOTS, BUT SUPPORTS URBAN DENSITY. EVEN THOUGH SMALL LOT AMNESTY ALLOWS UP TO 65% IMPERVIOUS COVERAGE, THE OWNER ONLY PLANS TO BUILD ON APPROXIMATELY 40-55% OF THE LOT SO THERE ARE GROUNDS FOR GARDENING AND TO KEEP THE HOME IN SCALE TO NEIGHBORING PROPERTIES.

**PARKING:** (Additional criteria for parking variances only.)

Request for a parking variance requires the Board to make additional findings. The Board may grant a variance to a regulation prescribed Section 479 of Chapter 25-6 with respect to the number of off-street parking spaces or loading facilities required if it makes findings of fact that the following additional circumstances also apply:

1. Neither present nor anticipated future traffic volumes generated by the use of the site or the uses of sites in the vicinity reasonable require strict or literal interpretation and enforcement of the specific regulation because:

NOT APPLICABLE (N/A)

2. The granting of this variance will not result in the parking or loading of vehicles on public streets in such a manner as to interfere with the free flow of traffic of the streets because:

NOT APPLICABLE (N/A)

3. The granting of this variance will not create a safety hazard or any other condition inconsistent with the objectives of this Ordinance because:

NOT APPLICABLE (N/A)

4. The variance will run with the use or uses to which it pertains and shall not run with the site because:

NOT APPLICABLE (N/A)
