ANALYSIS / ADDITIONAL INFORMATION: This project will construct approximately 450 linear feet of a 10-foot wide concrete trail including a 180-foot bridge from Furness Drive to Park Plaza Drive across Little Walnut Creek. This project will complete a critical missing piece in the pedestrian and bicycle network in northeast Austin. It will also provide a safe route to school for students of Hart Elementary School. The surrounding community is aware of the project and will be kept updated throughout construction.

Due to the potential for changes, a 10% contingency in funding has been included to allow for the expeditious processing of any change orders. The contract allows 210 calendar days for completion of this project. This project is located within zip code 78753 and is managed by the Public Works Department.

Muniz Concrete and Contracting, INC. is located in Austin, TX.
