Due to the addition this week of 8 additional adjoining property owners joining in the Petition, Applicant requests a postponement of 3rd reading in the Subject Zoning Case until June 6, 2013. While we feel we have an agreement satisfactory to all opposing parties to invalidate the Petition and proceed to 3rd reading on consent, additional time will be needed to put the agreements in place and get signatures removing names from the Petition.

Neither John Stokes, Chris Clark or any other interested party I am aware of opposes the postponement. Therefore I request you make the request for postponement be by consent of all parties. Please reply to confirm receipt.
Thanks,
