Subject: ITEM 4 - Plan Amendment NPA-2012-0021.01 - 1100 Manlove Street

Commissioners,

After much discussion with my client, I have convinced him to allow for the case to be withdrawn. It is counter-productive to move this case forward without the requisite surveying information and without meeting with the neighbors which has been my expressed goal since we met with the neighbors in October. To save everyone's time and energy, we are, with this email, withdrawing this case and will reassess the situation at a later date to move forward in some fashion.
