

Dear Members of the ICRC:

You may have already figured out these calculations below, so we are simply offering these just in case you need them:

- \* You have 4 remaining appointments. At least one must be an African-American.
- \* 1 should be from County Commissioner Precinct 1.
- \* 2 should be from County Commissioner Precinct 2.
- \* 1 should be from County Commissioner Precinct 3.\*

\* County Commissioner Precinct 3 -- please note: This precinct lies both north and south of the River. Currently, the ICRC has 25% of its membership from south of the River, though 40% of Austin lives there. Therefore, we hope you will carefully consider appointing someone from Precinct 3 who lives SOUTH of the River.

We will see you at the meeting on Thursday night.

Best wishes,

*Peck Young, Advisor*

*Austinites for Geographic Representation*
