Re: Request for Alley Vacation; Alley adjacent to 705 and 709 Driskill Street, 95 to 89 Rainey Street, and 90 to 94 Interstate Highway 35 (the "Property")

Ms. Grant:

As representatives of the prospective buyer of the Property referenced above, we respectfully submit the attached Application for Alley Vacation. A city-zoning map highlighting the proposed project area as well as the alley to be vacated is enclosed.

The area to be vacated and the adjacent properties are part of the Driskill & Rainey Subdivision (attached). As shown on the attached zoning map, the properties adjacent to the alley are currently zoned Central Business District (CBD). However, the property is not located within the CBD boundaries. The alley is currently open from Driskill Street to River Street and is in disrepair. The adjacent properties are developed with houses which have been converted for commercial uses. Preliminary research shows underground and overhead utilities are located within the alley. Once vacated, the utilities will be relocated and/or abandoned as appropriate.

An 8-story vertical mixed use development with structured parking is proposed for the alley and adjacent properties. The proposed project will not be a S.M.A.R.T. Housing project. A site plan has not yet been submitted for the proposed development. All parking and traffic related matters will be addressed during the site plan review.

We have been working closely with the Rainey Neighbors Association on the proposed project. The Association is in full support of the proposed development. If you have any questions about the request or need additional information about the proposed project, please feel free to contact us.

Very Respectfully,

A handwritten signature in cursive script that reads "Danae R. Falvo".
