Additional Backup Information

The Estancia annexation area (approximately 600 acres) is located in southern Travis County west of IH 35 South approximately eight tenths of a mile south of the intersection IH 35 South and Onion Creek Parkway. This area is currently in the city's extraterritorial jurisdiction ("ETJ") and is adjacent to the city's full purpose jurisdiction on the north side. This area is currently undeveloped and the developer's plans for this site include a mixed-use project including residential and commercial land uses.

Limited purpose annexation will facilitate zoning and development of this area. Future full purpose annexation will be considered in accordance with the "Final Development Agreement" associated with the proposed Public Improvement District to be considered by Council in the next several months.
