Subject: Indefinite Postponement Request - C14-2013-0027

Wendy,

We are requesting an indefinite postponement of Zoning Case C14-2013-0027. As you know, I recently had back surgery that has been very slow to heal and I would like the opportunity to meet with neighbors prior to this case going to public hearings. We are aware that we will have to pay a re-notification fee of approximately \$250 when we are ready to proceed with the public hearings. Please let me know when the postponement has been completed. Feel free to contact me any time if you need any additional information.

Thank you,
Jim Wittliff
