

Trinh,

Please share w. other Commissioners this update:

Our Exec. Dir. job was posted on the website of the Texas Society of Association Executives Saturday afternoon: [http://careers.tsae.org/hr/jobdetail.cfm?job\\_id=5568427](http://careers.tsae.org/hr/jobdetail.cfm?job_id=5568427) It is thus available to TSAE's 1000 member organizations encompassing trade groups, nonprofit associations & the like throughout Texas.

Rachel advised me to put the jobsource link in the "**To apply. . .**" paragraph, such that all applications will end up in the same "mailbox" with Commissioner access that she established.

I failed to get this posted Friday because the hosting site's server was down.

I echo Rachel's thanks to all who helped get this job description & posting accomplished.

Harriett
