

Patricia,

Thanks for your message. I do not have the authority to decide that for the Commission.

However, I don't know that there is anything stopping the City of Austin from putting out a release about the posting on their own volition, just as other organizations in town (AGR, for example) might do so as well.

Trinh, please post this thread publicly.

Thanks,
Rachel

Hi Rachel,

Would you like us to do a public announcement for the EXEC. Director Position?

We can do a media release and post it to the 10-ONE site as well as the Clerk's ICRC webpage.

Thanks
