Here's a map that shows the results of Proposition 3 and Precinct 208 is displayed, it is shown in dark blue in the UT area, immediately north of the bright red Precinct 325.

Ryan.

Per the Chair's request below, do you have an already built map of Austin with Precinct 208? Please see request below in red.

Let me know if this can be sent to me by 3 pm today.

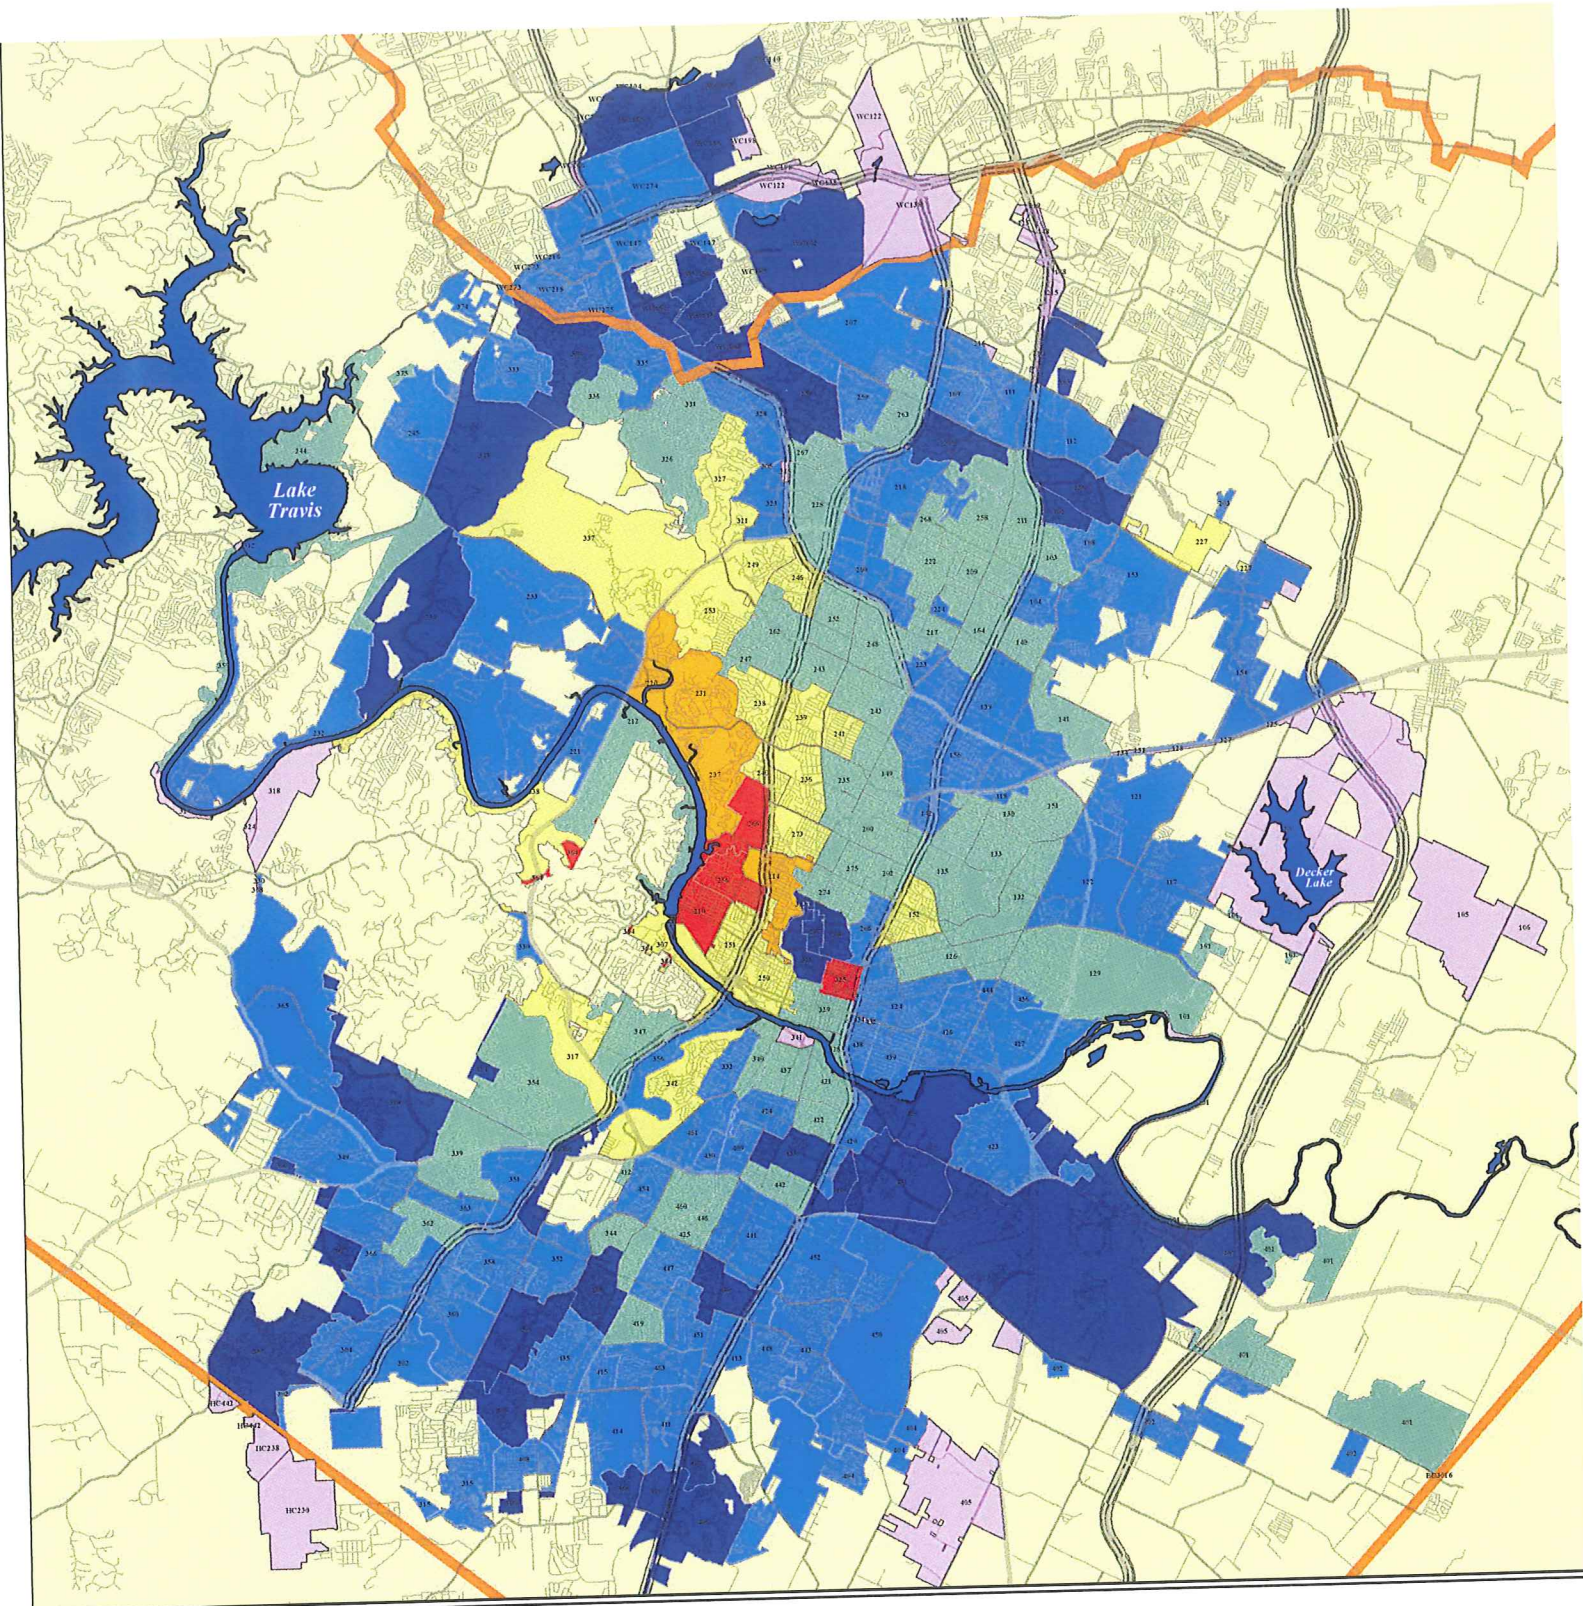

Thanks,
Trinh

Trinh,

For tomorrow's meeting please have the following prepared

1. Map of Austin with Precinct 208 identified. This map should be large enough for each commissioner to use it on a forward go basis to determine how they'd like to see the maps and to take citizen comments and write down any notes they may have

Map produced by: Ryan Robinson, City Demographer, City of Austin, November 2012.
