

Also, I'm appending, below, an open records request I sent to you last Friday.

Can you confirm that you have received both the open records request and the attached memo and have gotten this to the Commission?

Someone told me that you were on vacation, so I have also called Trin Barlett and I'm copying her.

Trin -- can you, perhaps, confirm receipt or call me please? I'm at the home office line.

Thank you!

Linda Curtis
