

## DBE Summary

**Preliminary Phase Services:** Due to the nature of a design-build contract, there will be separate sets of DBE sub-contracting goals established for this project. A first set of goals for Preliminary Phase (Design / Pre-Construction Services) using the DBE requirements of 49 C.F.R. Part 26.67 and Chapter 2-9B of the City Code (Disadvantaged Business Enterprise Program) was issued with the initial contract solicitation. The participation goal for preliminary phase services was 7.27% DBE. To date, the Design-Builder's DBE participation for preliminary phase services are:
