Additional Backup Information

In order to modify or alter the existing speed limit of a street, Texas laws require that a traffic engineering investigation be performed. Traffic conditions, pedestrian routes and proximity to Guerrero-Thompson Elementary School were evaluated on West Longspur Boulevard by the Austin Transportation Department to determine if modifications were appropriate to improve the safety for the students attending Guerrero-Thompson Elementary School. Based on this investigation, the Austin Transportation Department recommends adding the following amendment to City Code Section 12-4-64(D) (Table of Speed Limits):

Add: Longspur Boulevard (West) from 480 feet west of Eastwend Drive to 462 feet east of Eastwend Drive (20 MPH Speed Limit).
