& 06c**

Subject: Recommendation on proposed ordinances on rental registration in response to Council Resolutions No. 20130606-049 and No. 20130606-050.

Motioned By: Commissioner Mueller Seconded By: Commissioner Langley

Recommendation

The CDC heard presentations from Code Compliance and a wide range of stakeholders. We feel that neither ordinance sufficiently addresses compliance and enforcement. We urge that slightly more time be taken to focus on the purpose of the ordinances so that the City can more effectively link compliance and enforcement to these ordinances.
