Additional Backup Information

In order to modify or alter the existing speed limit of a street, Texas laws require that a traffic engineering investigation be performed. An investigation of Brodie Lane was conducted by the Traffic Engineering Division of the Austin Transportation Department in accordance with the procedures specified in the Texas Procedures for Establishing Speed Zones, 2006. The Traffic Engineering Division recommends adding the following amendment to City Code Section 12-4-64 (D) Table of Speed Limits:

Delete: Brodie Lane from Slaughter Lane (West) to 300 feet south of Aspen Creek Parkway. (45 MPH)

Add: Brodie Lane from Slaughter Lane (West) to 480 feet south of Aspen Creek Parkway. (40 MPH)
