Priorities

- Employ highly qualified employees to provide a quality educational experience producing high achievement for all students
- Common community vision with strategic planning in process
- Every student: known, valued, and inspired

Key Issues

- Population Growth with 5 major proposed housing developments
- Budget constraints
 - Del Valle ISD Tax Rate \$1.53
 - Maintenance and Operation Tax Rate \$1.04
 - Debt Service (I&S) \$.49
 - *School Districts cannot issue new bonds for building construction unless they can guarantee that the debt service tax rate will never rise above 50 cents through the life of the 25-30 year bond.

Challenges

- Need for outside services brought to schools and community
- Public transportation
- No big box grocery store or doctors offices in district
- Need additional schools to address growth
- Parental involvement

Opportunities for CAN

- Assist with providing outside resources/services to students and families within Del Valle ISD boundaries
- Advocate for district through volunteering as a community partner through the following venues:
 - District Advisory Team (DAT)
 - Campus Volunteer or Mentor
 - PTA/PTO/PIC groups
 - Coordinated Approach to Child Health (CATCH) Nights
 - School Health Advisory Council
