PROJECT NAME: 1311 East 12th Street

PC DATE: Sept. 10, 2013

ADDRESS/ES: 1311 E. 12th Street

SITE AREA: Approx. 0.2703 acres

APPLICANT: City of Austin, Jerry Rusthoven

OWNER: Four Springs Investments, Darrell Pierce

TYPE OF AMENDMENT:

Change in Future Land Use Designation

From: Single Family

To: Neighborhood Mixed Use

Base District Zoning Change

Related Zoning Case: C14-2013-0066

From: SF-3-NP

To: LR-MU-NP

NEIGHBORHOOD PLAN ADOPTION DATE: December 13, 2001

PLANNING COMMISSION RECOMMENDATION: Pending.

STAFF RECOMMENDATION: Recommended

BASIS FOR STAFF'S RECOMMENDATION: Please see the letter from the zoning planner, Heather Chaffin which explains the reason for the rezoning and the plan amendment on the property which is to correct an error that was made when the property was rezoned in 2008 as part of the creation of the NCCD for the corridor.

LAND USE DESCRIPTIONS – EXISTING AND PROPOSED

Existing Land Use

Single Family - Single family detached or two family residential uses at typical urban and/or suburban densities.

C14
2

Purpose

1. Preserve the land use pattern and future viability of existing neighborhoods;
2. Encourage new infill development that continues existing neighborhood patterns of development; and
3. Protect residential neighborhoods from incompatible business or industry and the loss of existing housing.

Application

1. Existing single-family areas should generally be designated as single family to preserve established neighborhoods; and
2. May include small lot options (Cottage, Urban Home, Small Lot Single Family) and two-family residential options (Duplex, Secondary Apartment, Single Family Attached, Two-Family Residential) in areas considered appropriate for this type of infill development.

Proposed Land Use

Neighborhood Mixed Use - An area that is appropriate for a mix of neighborhood commercial (small-scale retail or offices, professional services, convenience retail, and shopfront retail that serve a market at a neighborhood scale) and small to medium-density residential uses.

Purpose

1. Accommodate mixed use development in areas appropriate for a mix of residential uses and neighborhood commercial uses that serve surrounding neighborhoods; and
2. Provide transition from residential use to high intensity commercial or mixed use.

Application

1. Appropriate for areas such as minor arterials and collectors, small parcels along major arterials that abut single-family residential development, and areas in environmentally sensitive zones where high intensity commercial uses are discouraged; and
2. May be used as a transition from high intensity commercial and residential uses to single-family residential uses.

PUBLIC MEETINGS: The ordinance required plan amendment meeting was held on August 12, 2013. One hundred sixty two meeting notices were mailed to the property owners and utility account holders located within 500 feet of the property in addition to

neighborhood organizations and environmental groups registered on the community registry. Five people attended the meeting in addition to two staff members.

Heather Chaffin, the zoning planner, gave a presentation describing how the property was determined by the zoning staff to have been incorrectly rezoned during the creation of the NCCD. The property at 1311 E. 12th Street is a parking lot that is associated with the office building directly to the west. It was believed that when the NCCD was created, the lot with the parking lot should have been rezoned to LR-MU-NCCD-NP along with the office building instead of retaining the zoning of SF-3-NCCD-NP.

See Heather Chaffin's memo on page five, in addition to her zoning case report for the zoning case C14-2013-0066 for more details.

After Heather's presentation, the following questions were asked:

Q. Why was the rezoning of the property initiated now?

A. When Mr. Pierce bought the property he tried to find the zoning of the property. City staff researched the history of the zoning and determined it was rezoned in error. The city initiated the zoning and plan amendment cases to correct this situation.

Q. Why not change the FLUM on the property zoned LR-MU-NCCD-NP to Neighborhood Mixed Use while you're correcting the zoning and land use on the associated parking lot?

A. That's a good question. We probably should have done that.

Q. There is property located at 4808 W. William Cannon Drive where Group Homes and other uses are prohibited. We'd like those uses prohibited was well.

A. There is a state law that prohibits cities from prohibiting those types of uses.

Q. Do any other properties along the E. 12th Street NCCD corridor have these uses prohibited?

A. I don't know, but I can't think of any cases over the last two years.

Tracy Witte, a member of the Central East Planning Contact Team (OCEAN), distributed at the meeting the document found on page five of this report. These are uses the planning contact team would like to prohibit on the property. Please see the zoning case report associated with the plan amendment C14-2013-0066 for the zoning analysis of this request.

MEMORANDUM

TO: Mr. Dave Anderson, Chair
Planning Commission Members

FROM: Heather Chaffin
Planning and Development Review Department

DATE: March 12, 2013

RE: 1311 E 12th Street
Proposed City-initiated rezoning request

The proposed rezoning is a City-initiated corrective rezoning of a single lot located at the address above. The property is currently zoned SF-3-NCCD-NP, which appears to have been assigned in error during the development of the East 12th Street Neighborhood Conservation Combining District (NCCD) in 2008.

1311 East 12th Street is used as a parking lot for the adjacent property to the west, 1309 East 12th (a beauty & barber shop). 1309 E. 12th Street does not have any other parking, and is zoned LR-NCCD-NP. These two lots are effectively considered a single site development. The property to the east, 1315 East 12th Street is zoned SF-3-NCCD-NP, and is used as a residence.

When the NCCD ordinance was created in 2008, 1311 East 12th Street was not listed as a distinct lot or tract, although the tracts on either side of it—1309 and 1315—were specifically identified and assigned their updated zoning classifications. City staff has confirmed that policy dictates that not every possible street address is always listed in a zoning ordinance, especially if two lots share a common mailing address or site development – for example, a business and its associated parking lot. It appears the lot was missed in error, and assumed to be a portion of 1309 East 12th Street when the NCCD was created.

For this reason, a City initiated rezoning is proposed that would update the zoning on 1311 East 12th Street since it has functioned as part of a cohesive commercial development since prior to development of the NCCD. If recommended by Planning Commission, Staff will generate a City initiated rezoning application to request LR-MU-NCCD-NP zoning for the property at 1311 East 12th Street. This zoning classification would allow residential or commercial land uses on the property.

The subject property is also located within the boundaries of the East 11th and 12th Street Urban Renewal Area. Neighborhood Housing and Community Development (NHCD) has also reviewed the proposed correction, and supports the rezoning. At this time it is does not appear that an Urban Renewal Plan modification would be triggered by a rezoning on the property.

Recommendation from the Central East Planning Contact
