Ms. Harkins,  
I am writing to inform you that DiverseArts Culture Works requests that our License Agreement for 1106 East 11<sup>th</sup> Street (and associated parcels) be renewed at the end of the current term.

We hope to continue our programs and activities at this location and look forward to our continued relationship with the City and the Urban Renewal Agency.

I am happy to attend the next Board meeting and offer a report on our current activities and plans for the next season.

Best Regards,
