**PROJECT SUMMARY**

The City of Austin Art in Public Places program of the Cultural Arts Division, Economic Development Department sought to commission a professional visual artist to design and create artwork for the Spirit of Austin Lane Cell Phone Waiting Area project at Austin-Bergstrom International Airport.

A Request for Qualifications (RFQ) was issued on April 15, 2013 to professional visual artists and artist teams, at least 18 years of age, who live in the State of Texas. The selection panel met with advisors on July 9, 2013 to review the 38 eligible responses submitted by the advertised deadline including images of past work, resume, and letter of interest.

The selection panel and advisors selected three finalists for interviews on July 26, 2013: Eric Eley of Dallas, Tom Orr and Frances Bagley of Dallas, and Zachary Coffin of Austin. On July 26, the selection panel unanimously voted for Eric Eley as finalist and Tom Orr and Francis Bagley as alternate.
