## Additional Backup Information

On February 14, 2013, the City Council authorized a legal services agreement with Mayer Brown to provide secondary legal support to the City's Small and Minority Business Resources Department in an amount not to exceed \$90,000. A change in the scope of services requires additional funding in order to ensure continued legal compliance with federal law and subsequent legal decisions issued by the courts. The Law Department continues to provide primary legal support to SMBR.
