Additional Backup Information

The Marbella annexation area (approximately 133 acres) is located in southern Travis County east of IH 35 South approximately 3,400 feet north of the intersection of IH 35 and Slaughter Lane. This area is currently in the city's extraterritorial jurisdiction and is adjacent to the city's full purpose jurisdiction on the north and west sides of the tract. In 2012, the City entered into an annexation and development agreement with the property owner delaying annexation for one year and requiring compliance with City Code for development that was not yet underway. A 698 unit multi-family residential project is currently under construction on a portion of this tract.
