Davis @ Westgate under construction.

Davis between Brodie & Westgate.

Entrance on Davis Lane (between Brodie and Westgate) to multi-family condos built after Westgate extension was approved. No improvements have been made to Davis and condo unit have no access to Westgate.

Intersection of Kentish Dr. & Westgate Blvd. Davis Lane is located where orange cones end, and is too short a distance to allow ingress and egress on Westgate for proposed new multi-family development.
