

To whom it may concern in the Redistricting Commission:

As a resident of the Waters Park Apartments on West Parmer Lane in Austin, zip 78727, I enthusiastically support the proposed revision to the Austin districts, specifically concerning District 6. I believe that Mr. Bonafont's proposed District 6 boundaries reflect the similarities of concerns among adjacent communities much more accurately than the current District 6 boundaries.

Many thanks,

Andrew Dell'Antonio
