EXHIBIT G

Joint Election Agreements

ELECTION AGREEMENT BETWEEN TRAVIS COUNTY AND CITY OF AUSTIN

Pursuant to Chapter 31, Subchapter D, Chapter 123, and Chapter 271 of the Texas Election Code ("Code") and Chapter 791 of the Texas Government Code, Travis County and City of Austin ("Participating Entity") enter into this Agreement for the Travis County Clerk, as the County's Election Officer, to conduct the Participating Entity's elections, including run-offs, and for the Participating Entity's use of the County's current or future-acquired election equipment for any voting system that the County adopts, as authorized under Title 8 of the Election Code, for all Participating Entity elections. The purpose of this Agreement is to maintain consistency and accessibility in voting practices, polling places, and election procedures in order to best assist the voters of the Participating Entity.

I. GENERAL PROVISIONS

- (A) Except as otherwise provided in this Agreement, the term "election" refers to any Participating Entity election, occurring on any uniform election date prescribed by the Texas Election Code or a primary election date and a resulting run-off, if necessary, within all Participating Entity territory located in Travis, Williamson and Hays Counties. If a run-off is necessary, the Participating Entity shall work with the Election Officer to determine a mutually acceptable run-off date; in the event that the Participating Entity and any other entity for which the County is providing election services or for which the County is conducting a joint election do not agree on a run-off date, the Participating Entity agrees to whichever run-off date is selected by the Election Officer.
- (B) If the Participating Entity determines it is necessary to conduct an election during a time other than that specified in I.(A), the Election Officer and a representative designated by the Participating Entity will meet as soon as possible to determine the feasibility of the Election Officer conducting such an election. If both parties agree that the Election Officer will administer this election, the new election will be based on all other applicable provisions of this Agreement, except provisions that are inconsistent and cannot be feasibly applied.
- (C) Except as otherwise provided in this Agreement, the term "Election Officer" refers to the Travis County Clerk.
- (D) Except as otherwise provided in this Agreement, the term "precinct" means all precincts in the territory of the Participating Entity located within Travis County, as they currently exist or are as later modified to incorporate single-member districts.
- (E) Except as otherwise provided in this Agreement, the term "election services" refers to services used to perform or supervise any or all of the duties and functions that an election officer determines necessary for the conduct of an election. Except as otherwise provided in this Agreement, the term "cost for election services" includes the costs for personnel, supplies, materials, or services needed for providing these services as

permitted by the Texas Election Code. The term does not refer to costs relating to the use of the voting equipment.

- (F) Except as otherwise provided in this Agreement, the cost for "use of voting equipment" is the amount the Participating Entity agrees to pay the County for use of the County's direct electronic recording equipment or any other voting equipment in use at the time of the election (hereinafter referred to as DRE).
- (G) The Participating Entity agrees to commit the funds necessary to pay for election-related expenses for Participating Entity elections.
- (H) The Election Officer has the right to enter into agreements with other entities at any time, including during the dates listed in I.(A).
- (I) As a condition for providing election services and equipment usage, the Election Officer may require authorities of political subdivisions holding elections on the same day in all or part of the same territory to enter into a joint election agreement as authorized in Chapter 271 of the Texas Election Code. The Participating Entity agrees to enter into any joint election agreement required by the County.

II. PARTICIPATING ENTITY'S USE OF VOTING EQUIPMENT

The County shall make available to the Participating Entity their current and future-acquired voting system as authorized under Title 8 of the Election Code, subject to reasonable restrictions and conditions imposed by the Election Officer to ensure availability of the equipment for County-ordered elections, primary elections, and subsequent run-off elections, if applicable. The Election Officer may impose reasonable restrictions and conditions to protect the equipment from misuse or damage.

III. APPOINTMENT OF ELECTION OFFICER

- (A) The Travis County Election Officer ("Election Officer") is appointed to serve as the Participating Entity's Election Officer and Early Voting Clerk to conduct the Participating Entity's elections described in Section I.
- (B) As the Participating Entity's Election Officer and Early Voting Clerk, the Election Officer shall coordinate, supervise, and conduct all aspects of administering voting in Participating Entity elections in compliance with all applicable laws, subject to Section III. (C) below. The Election Officer will provide the Participating Entity's election results for their precincts located in Williamson and Hays Counties.
- (C) The Participating Entity shall continue to perform those election duties listed in (1) through (8) below and any other election duties that may not be delegated to another governmental entity such as receipt of candidate applications:

- (1) preparing, adopting, and publishing all required election orders, resolutions, notices and other documents, including bilingual materials, evidencing action by the governing authority of the Participating Entity necessary to the conduct of an election, except Election Officer shall (1) publish a single newspaper notice that includes Participating Entity; however, such publishing expense will not be included in the pro rata assessment for remaining joint Participating Entities, and (2) in any debt obligation elections, post the notice required by and in accordance with Section 4.003(f), Texas Election Code, in each election day and early voting polling place;
 - (2) preparing any necessary federal Voting Rights Act election preclearance submissions to the U.S. Department of Justice, other than changes in a joint election conducted under this Agreement that directly affect the County;
 - (3) preparing the text for the Participating Entity's official ballot in English and Spanish, and any other languages as required by law;
 - (4) providing the Election Officer with a list of candidates or propositions showing the order and the exact manner in which the candidates' names and the propositions are to appear on the official ballot;
 - (5) conducting the official canvass of a Participating Entity election;
 - (6) administering the Participating Entity's duties under state and local campaign finance laws;
 - (7) having a Participating Entity representative serve as the custodian of its election records; and
 - (8) filing the Participating Entity's annual voting system report to the Secretary of State as required under Chapter 123 et seq. of the Texas Election Code.
- (D) The Participating Entity shall also be responsible for proofing and attesting to the accuracy of all ballot language and format information programmed by the County. This includes any information programmed for use with the audio or tactile button features of the equipment. The Participating Entity will also monitor and review all logic and accuracy testing and mandatory tabulations. The Participating Entity will complete its duties within timeframes as prescribed by the County. If the Participating Entity finds any discrepancies or concerns, it will immediately report them to the Election Officer and work with the Election Officer's staff to resolve any issues so that final approval can be reached. The Participating Entity shall be responsible for any and all actual costs associated with correcting the ballot and ballot programming if the error is discovered after the Participating Entity has signed off on its final proof containing the error.

- (E) The City Clerk of the City of Austin ("City Clerk") will assist the County whenever possible when the conduct of the election requires assistance from Participating Entity departments and staff. The City Clerk will serve as the Regular Early Voting Clerk for the Participating Entity to receive requests for applications for early voting ballots and forward these applications to the Joint Early Voting Clerk. The City Clerk will serve as the Custodian of Records for the Participating Entity to complete those tasks in the Election Code that the Election Officer will not perform.

IV. ELECTION WORKERS AND POLLING PLACES

- (A) For presentation to the governing body of the Participating Entity, the County shall provide a list containing the locations, times, and dates of early voting polling places suitable for consideration and adoption by the governing body in accordance with Texas Election Code Chapter 85, and also a list of judges and alternates pursuant to Election Code Chapter 32, no later than the 45th day before the election. The Election Officer will designate and confirm all election day polling place locations.
- (B) The Election Officer will assume the responsibility for recruiting election personnel; however, if by the 5th day before the election, the Election Officer reports vacancies in positions for election judges, alternate judges, election day clerks, early voting ballot board, receiving substation clerks, or any other key election personnel, the Participating Entity shall provide emergency personnel in these positions.
- (C) The Election Officer shall notify each of the election judges and alternates of their appointment and the eligibility requirements that pertain to them and to the selection of election day clerks. Included in this notification will be the number of clerks that each precinct should have in addition to the election judge and alternate judge. The election judges and/or the alternates are responsible for recruiting and supervising their clerks.
- (D) All election workers must agree to attend training sessions as determined by the Election Officer. Costs for these training sessions and compensation for attendees, if authorized, will be included as part of the election services costs.
- (E) During any election and any subsequent runoff election that involve entities in addition to the Participating Entity, the Election Officer will work with all parties to find a plan that can be agreed upon regarding the designation of polling places. If agreement cannot be reached, the Election Officer will resolve the differences. In all cases, emergency polling place changes will be made by the Election Officer.

V. PAYMENTS FOR ELECTION SERVICES

- (A) Payments for the use of voting equipment are addressed separately in Section VI of this Agreement.
- (B) At the time a Participating Entity executes this Agreement, its representative must tender \$100 towards the costs associated with administering the election including, but not

limited to, polling place searches and preparation for poll worker training. If the election is ultimately held by the Election Officer, the \$100 fee will be applied towards the Participating Entity's total costs due to the Election Officer. Not later than October 1 before a November election, or not later than the 35th day before any election not held in November, the Participating Entity will make a payment equal to 75% of the total of the Participating Entity's projected share of election costs according to the most recent calculation presented by the Election Officer. Additionally, a cost estimate will be submitted to the Participating Entity no later than the 50th day before the election.

- (C) In case of a cancellation of an election by the Participating Entity, the Participating Entity shall notify the Election Officer on or before 11:59 p.m. on the 60th day before the election whether it expects to be able to cancel its election, and on or before 11:59 p.m. on the 53rd day before the election if that election will or will not be cancelled. If the Participating Entity cancels its election, the \$100 fee will not be refunded.
- (D) Notwithstanding the provisions in IX.(B), the County and the Participating Entity agree that notice under V.(C) can be provided via e-mail to the County at elections@co.travis.tx.us and cc to michael.winn@co.travis.tx.us. Email notification shall be sent by the City Clerk. No further costs (except for the \$100 fee) will be due if the Election Officer receives final written notice on or before 11:59 p.m. of the 53rd day before the election that an election will be cancelled. Within thirty days after receipt of an election cost schedule or bill setting forth the Election Officer's actual contract expenses and charges incurred in the conduct of the election, the Participating Entity shall pay the Election Officer the remaining balance due. If there is a run-off election, the Participating Entity will make a payment equal to 75% of the projected costs for the run-off election immediately after receiving that projected cost from the Election Officer. The projected share of election costs will include the 10% fee for election services as discussed in V.(E).
- (E) The Election Officer will charge a fee for election services, as described in Section V, equal to 10% of the total costs of each election, excluding the costs of voting equipment. Costs for use of voting equipment are described in Section VI. In the event of a joint election, the election costs will be divided on a pro rata basis among all entities involved in the election in the following manner referred to hereafter as the "pro rata methodology": the number of precincts each participating entity has involved in an election will be added together. The proportional cost of each participating entity for election services will be calculated by multiplying the proportional percentage of each participating entity by the total cost of the election. The product of these numbers is the pro rata cost of each participating entity. Additionally, the Participating Entity acknowledges and understands that if any other Participating Entity should cancel its election, each remaining Participating Entity's pro rata cost will result in a proportionate cost increase.
- (F) For elections that do not have a run-off election, the County will send the Participating Entity a final invoice of election expenses not later than the 90th day after an election. For elections that do have a run-off, the County may send the Participating Entity a final

invoice of election expenses not later than the 90th day after the run-off election. The total amount due according to these invoices shall be offset by payments made for costs made in accordance with Subsection (B) of this section and offset by any payments made otherwise, such as proceeds received by the County in a sale, exchange, or return of voting equipment subject to the Addendum to the Election Services Agreement executed on October 25, 2011, which is hereby attached as Exhibit A and incorporated herein for all applicable purposes. The County shall prepare the invoice to include (1) an itemized list of each election expense incurred; (2) an itemization of any adjustments or credits to the first post-election invoice; and (3) the total payment due from the Participating Entity for any portion of the Participating Entity's costs not included in the City's payment or not included as payment for an "upfront" cost.

- (G) The Participating Entity shall promptly review an election invoice and any supporting documentation when received from the County. The Participating Entity may audit, during normal business hours, relevant County election or accounting records upon reasonable notice to the County. The Participating Entity shall pay the entire final invoice or the undisputed portion of the final invoice not later than the 30th day after receiving the invoice. Failure to timely pay invoice in full may impact Election Officer's participation in future elections with Participating Entity.

VI. PAYMENTS FOR USE OF VOTING EQUIPMENT

- (A) The Election Officer shall conduct elections using a voting system certified by the Secretary of State in accordance with the Texas Election Code and that has been approved for use by the Travis County Commissioners Court unless otherwise agreed upon by both parties.
- (B) The Participating Entity shall make payments to Travis County as consideration for the use of the County's DRE equipment. The Participating Entity shall pay \$5 for each unit of electronic voting system equipment installed at a polling place; and \$5 for each unit of other electronic equipment used to conduct the election or provide election services.
- (C) If the Participating Entity holds an election on a date when the County is holding its own election, the Participating Entity is not charged any cost for equipment usage. However, if a run-off election is necessary after such an election, the Participating Entity will be responsible for payment of equipment usage.
- (D) If the Participating Entity holds an election on a date other than as listed in Section I.(A), the Participating Entity will pay \$5 for each unit of electronic voting system equipment installed at a polling place; and \$5 for each unit of other electronic equipment used to conduct the election or provide election services.
- (E) Payment by the Participating Entity to the County for DRE equipment is due 30 days after receipt of billing as part of the final payment for election costs as discussed in Section V. (D).

- (F) If the County acquires additional equipment, different voting equipment, or upgrades to existing equipment during the term of this contract, the charge for the use of the equipment may be renegotiated.

VII. ADDITIONAL EARLY VOTING LOCATIONS

- (A) All of the Participating Entity's voters within Travis County will have access to all of the Travis County Early Voting sites in each election at no additional cost. If Travis County does not run a permanent or mobile site in a Participating Entity's area, the Participating Entity may request a mobile unit for one to five days. This would include Travis County staff setting up and breaking down the equipment daily, training staff for each location, and providing Travis County law enforcement to secure the equipment in the Travis County Elections Division's safe at 5501 Airport on a daily basis.
- (B) Any Participating Entity requesting additional early voting sites shall be responsible for the additional daily cost of \$1,560 per location, with said costs to be included in the overall election costs for that Participating Entity.

VIII. COMMUNICATIONS

- (A) The Participating Entity and the Election Officer shall each designate a member of their staff to serve as the primary contact for the respective offices under this Agreement and provide the name and contact information for that individual to each entity.
- (B) Throughout the term of this Agreement, the Participating Entity and the County will engage in ongoing communications regarding issues related to Participating Entity elections, the use of County's voting equipment, and the delivery of services under this Agreement and, when necessary, the County Clerk, elections division staff members, and other election workers shall meet with the Participating Entity to discuss and resolve any problems which might arise under this Agreement.
- (C) The Election Officer shall be the main point of media contact for election information related to election administration. The Participating Entity shall designate a contact to be the main point of contact for matters related to the content of the Participating Entity's ballot or candidates.

IX. MISCELLANEOUS PROVISIONS

RECITALS

WHEREAS, per the Interlocal Cooperation Act, each party represents and warrants that in the performance of its respective obligations as set forth in this Agreement, it is carrying out a duly authorized governmental function, which it is authorized to perform individually under the applicable statutes of the State of Texas and/or its charter; and

WHEREAS, the City expects to call an Election during the term of this Contract and during any renewal term of this Contract; and

WHEREAS, the City desires that certain Election-related governmental functions and services for the Election be provided by the Contracting Officer pursuant to Chapter 31, Subchapter D of the Texas Election Code; and

WHEREAS, the Contracting Officer and the City desire to enter into a contract stating the contract's purpose and terms, and the parties' rights and duties;

NOW, THEREFORE, in consideration of the mutual covenants and promises hereinafter set forth, the parties to this Contract agree as follows with respect to the coordination, supervision, and running of the Election:

I. PURPOSE; SCOPE; APPOINTMENT.

A. The purpose of this Contract is to maintain consistency and accessibility in voting practices, polling places, and election procedures in order to best assist the voters of the City. For purposes of this Contract, the term "Election" refers to any City general or special election and a resulting runoff, if necessary, within all City territory located in Williamson County. In the event that the City and any other entity for which the Contracting Officer is providing election services, or for which the Contracting Officer is conducting a joint election, do not agree on a run-off date, the Contracting Officer will determine a run-off date, subject to City Council approval.

B. The Contracting Officer is hereby appointed to serve as the City's Election Officer and designee for carrying out Early Voting Clerk duties to conduct the Election for those areas of the City located in Williamson County. As City's Election Officer and designee for carrying out Early Voting Clerk duties, the Contracting Officer will coordinate, supervise, and conduct all aspects of administering voting in connection with the Election in compliance with all applicable law, except as otherwise provided in this Contract.

II. DUTIES OF CONTRACTING OFFICER. The Contracting Officer shall be responsible for performing the following services and furnishing the following materials and equipment in connection with the Election:

A. *All Election Services Required By State Law.* As stated in I. (B.) and as partially listed in this Article II, the Contracting Officer will perform all Election services required by State law and not listed in Article III as Duties of City.

B. *Nomination of Presiding Judges and Alternate Judges.* Contracting Officer will recruit and appoint all election workers. Such proposed presiding judges and alternate judges shall meet the eligibility requirements in Chapter 32, Subchapter C of the Texas Election Code.

C. *Notification to City.* Contracting Officer will provide the City with the most up-to-date list of early voting polling places, election day polling places, and presiding and alternate judges three weeks before the statutory deadline to order the election and again three weeks before election day. The City acknowledges that the information provided may not be final or complete.

D. *Notification to Presiding and Alternate Judges; Appointment of Clerks.*

1. The Contracting Officer shall notify each presiding judge and alternate judge of his or her appointment. The notification will also include the assigned polling location, the date of the election school(s), the date and time of the election, the rate of compensation, the number of election clerks the presiding judge may appoint, the eligibility requirements for election workers, and the name of the presiding or alternate judge, as appropriate. The Contracting Officer shall notify each of the election judges and alternates of their appointment and to the selection of election day clerks. Included in this notification will be the number of clerks that each precinct can appoint in addition to the election judge and alternate judge. The election judge is responsible for recruiting and supervising their clerks. Notification to the election judges and alternates shall be made no later than 20 days from the date of the election unless the Contracting Officer appoints a judge after this date.

2. The Contracting Officer shall ensure that the presiding judges make the appropriate election clerk appointments and notify the clerks of such appointments. The presiding election judge of each polling place, however, will use his or her discretion to determine when additional manpower is needed during peak voting hours. The Contracting Officer will determine the number of clerks to work on the Balloting Board.

E. *Contracting with Third Parties.* In accordance with §31.098 of the Texas Election Code, the Contracting Officer is authorized to contract with third persons for election services and supplies. The actual cost of such third-person services and supplies will be paid by the Contracting Officer and reimbursed by the City.

F. *Election School(s).* The Contracting Officer shall be responsible for conducting one or more, in his discretion, election schools to train the presiding judges and alternate judges in the conduct of elections, including qualifying voters, provisional voting, and the counting of ballots. The Contracting Officer shall determine the date, time, and place for such school(s) and notify the presiding judges and alternate judges of such. The election workers must agree to attend training sessions as determined by the Contracting Officer. The Contracting Officer may hold the election school(s) on a Saturday in order to increase its availability to election workers who are employed during the regular work week. If at all possible, such election schools shall be conducted within the City's territory.

G. *Early Voting.* In accordance with §§31.096, 31.097(b), and 83.005 of the Texas Election Code, the City is the Early Voting Clerk for the election and hereby delegates all Early Voting Clerk duties to the Contracting Officer.

1. The Contracting Officer shall supervise and conduct early voting by mail and personal appearance and shall secure personnel to serve as Early Voting Deputies.

2. Early voting by personal appearance for the election shall be conducted during the hours and time period and at the locations as determined by the Contracting Officer.

All applications for mail ballots shall be processed in accordance with Title 7 of the Texas Election Code by the Contracting Officer or his deputies at 301 SE Inner Loop, Ste 104, PO Box 209, Georgetown, Texas 78627-0209. Applications for mail ballots erroneously mailed to the City shall be faxed as promptly as possible to the Contracting Officer for timely processing. The original application shall then be forwarded to the Contracting Officer for proper retention.

4. Early voting ballots cast by personal appearance shall be secured and maintained at 301 SE Inner Loop, Georgetown, TX and in accordance with Chapter 87 of the Texas Election Code. The Early Voting Ballot Board shall meet at 301 SE Inner Loop, Ste 104, Georgetown, TX on the day after early voting ends during each term of this Contract.

H. Election Day Polling Locations. The election day polling locations are determined by the Contracting Officer, subject to City Council approval. The Contracting Officer shall arrange for the use of all election day polling places and shall arrange for the setting up of all polling locations for election day, including ensuring that each polling location has the necessary tables, chairs, and voting booths. The City understands that the cost of services to be rendered by the Contracting Officer includes a pro rata share of any fees charged by the entity providing the poll site and the cost of all employee services required to provide access, security, or custodial services for the polling location(s).

I. Custodian of Voted Ballots. The Contracting Officer is hereby appointed the custodian of voted ballots and shall preserve them in accordance with Chapter 66 of the Texas Election Code and other applicable law. After complying with the retention period, the Contracting Officer shall forward election material, including voted ballots, to the City, if requested.

The proportional cost for each entity for election services will be calculated by multiplying the proportional percentage of each entity by the total cost of the election.

2. **Administrative Fee.** The Contracting Officer will charge a fee equal to 10% of the City's share of the total costs of each election.

3. **Lease of Voting Equipment.** Per § 123.032(d) of the Texas Election Code, the Williamson County Commissioners Court has established the following prices for leasing county-owned voting equipment:

- \$309.50 per ADA iVotronic DRE;

The City's share of voting equipment costs will be determined on a pro rata basis. Leasing cost will be calculated once for the early voting period (excluding M100 precinct ballot counters) and once for election day. If the County acquires additional equipment, different voting equipment, or upgrades existing equipment during the term of this Contract, the charge for the use of the equipment may be reset by the Williamson County Commissioners Court.

B. **Partial Upfront Payment.** The City may make a partial payment before election day in the event of significant "upfront" costs for essential supplies for which documentation is provided to the City with sufficient notice to enable the City Clerk to obtain approval from the City's Purchasing Office or if necessary, from City Council.

In the event the actual election costs exceed the City's partial payment, the difference between the actual costs and the partial payment will be paid by the City within 30 days after receiving an itemized invoice from the Contracting Officer. Payment shall be made by check payable to WILLIAMSON COUNTY and mailed to:

Rick Barron
Elections Administrator
PO Box 209

Any monies remaining after the payment of all costs of election bills shall be the property of the City and returned to it. After the resolution of any adjustment issues, the City shall pay the final remaining adjusted balance due to the County, or if a final adjustment results in an amount due to the City, the County shall make payment to the City. The payment will not be made later than the 21st day after the final adjustment. A payment resulting from the final dispute/adjustment process described in this Section is due no later than September 29 of the fiscal year.

Such notice must specify the nature of the event of breach and inform the breaching party that unless the event of breach is cured within three (3) business days of receipt of the notice, additional steps may be taken to terminate this Contract. If the breaching party begins a good faith attempt to cure the event of breach within three (3) business days, then and in that instance, the three (3) business day period may be extended by the non-breaching party, so long as the breaching party continues to prosecute a cure diligently to completion and continues to make a good faith attempt to cure the event of breach.
