

ICRC,

The neighborhood associations West of Mopac, North of 183 and roughly south of Parmer Lane are reviewing the draft preliminary map.

Discussions are ongoing between Walnut Crossing, Milwood, Angus Valley, Northwood, Mesa Park & Balcones Woods Neighborhood Association's to name a few.

There is a rather vocal group calling themselves the Northwest Austin Coalition, NWAC, that portends to speak for our area. However, they do not.

Initial discussions with President's of the NA's indicate a preference to be in District 7, not 6 or 10.

Please give us time to for our due process; to inform our members, discuss and vote.

Thanks for your time and consideration.

Sincerely,

Kernan Hornburg  
President  
Walnut Crossing Neighborhood Association
