

am very concerned about my neighborhood, Highland Park West, being grouped with District 10 on your proposed map. I think our concerns and issues match Central Austin better than Lakeway.

I think District 7 is crazy to draw a skinny ribbon from downtown to Plugerville! I know this is a challenging task to please everyone. Please try to group Highland Park West with Tarrytown, Rosedale and Allandale.

I think we will be better served.

Thank you - Alex Furlong
