

Dear Ms. Tounget:

I understand that the City Council is nearing completion of drawing its zoning maps for City Council representation. This email is to register my concern with the City's inclusion of my neighborhood, Highland Park West, with less urban neighborhoods that do not share our neighborhood's specific concerns and interests. I support compact districts, and the inclusion of Highland Park West and Balcones Area along with those of similar concerns.

Please consider this comment when finalizing the City Council representation zoning maps. Should you have any questions or wish to discuss, please do not hesitate to contact me.

Sincerely,  
Kristina Rollins
