

Hi Craig,

I am a resident in the Walnut Creek Neighborhood, and I support the Bonafont Map for the new redistricting. It is much more representative of our surrounding neighborhoods (Walnut Creek, Milwood, Mopac/183, Gracywoods), and increases our ability to elect leaders with our area in mind.

I would like to attend the next public meeting, when is that?

Thanks for all your work!

Andrew Crawford

Precinct 263
