

Hi Craig –

I'm writing to express my gratitude for the work that you do on behalf of City of Austin voters. I was given your address by one of the neighborhood groups seeking changes to the originally promulgated maps. I don't pretend to know as much as the appointed committee, but as a resident of central west Austin (District 7), I don't see many similarities with south Pflugerville...might be better to extend westward to pick-up population as they would share traffic and environmental concerns. This might also allow south Pflugerville's voice to be heard more clearly as well.

Kindly,

Steve D. Beuerlein
