Section 1.07 The following process shall be followed when preparing and sending a notice of proposed closure on a form prescribed by the Director for an Event required by City Code, Section 14-8-14 (*Notice of Proposed Closure and Signature Requirement*)

Section 2.03 Moving Events must not prevent Reasonable Access to a geographic area which would otherwise not have access as a result of the Moving Event.

Recommendations by Austin Transportation Department to the Urban Transportation Commission:

City Staff has no objection to the waiver of the signature requirement as long as the promoter contacts individuals who disapprove and provides them with maps of ingress and egress and works to mitigate other concerns.
