

Dear ICRC members,

As a resident of Northwest Hills I am concerned the most recent council district map does not provide our neighborhood appropriate representation.

In this, Northwest Austin insists the District 10 that starts above 2222. Please go back to the September 28th map and move the southeastern boundary to Start at 2222, but to otherwise follow the ICRC map from September 28th. We mean no disrespect to Tarrytown, Brykerwoods and Rosedale, but NW Austin would like to remain with our communities of interest.

Sincerely,

Micah & Sarah
