

Good morning,

After hearing from Robert Thomas and the Northwest Austin Civic Association, I wanted to let you know that I support the city council map that has District 10 starting above 2222. Please go back to the September 28th map and move the southeastern boundary to start at 2222, but to otherwise follow the ICRC map from September 28th. Our neighborhood would like to remain with our communities of interest.

Thank you for your time and service.

Jack
