

NW AUSTIN STRONGLY SUPPORTS a District 10 that starts North of 2222, not the current 11/11 map.

PLEASE go back to the September 28<sup>th</sup> map and move the southeastern boundary to start at 2222, but to otherwise follow the ICRC map from September 28th.

We appreciate and respect Tarrytown, Brykerwoods and Rosedale, but NW Austin would like to remain with our communities of interest

Tarrytown has dominated West Austin politics for years (I came here in 1960). It's a good time for this to stop.
