

“NW AUSTIN STRONGLY SUPPORTS the District 10 that starts above 2222 – PLEASE go back to the September 28th map and move the southeastern boundary to start at 2222, but to otherwise follow the ICRC map from September 28th. We appreciate and respect Tarrytown, Brykerwoods and Rosedale, but NW Austin would like to remain with our communities of interest.” I live in Northwest Hills, and have friends living in Rosedale and Tarrytown. I can say without reservation that my friends are not concerned with problems like ours. --Please correct this by going back to the early version for Northwest Hills and Northwest Austin. ---Stanley Cavitt, 47-year resident of Northwest Hills, Mesa Oaks Subdivision
