

I'm writing to voice my support for the latest plan approved by the Redistricting Commission (Final Draft Plan 2 approved Nov 6th 2013.) I live in Northwest Hills; in my opinion the proposed District 10 strikes a balance between the central location of our neighborhood and the unique issues that face residents west of Mopac without creating a district that stretches all the way from Central Austin to Cedar Park and Lake Travis.

I realize that it's difficult to please everyone during this process, and I can't speak for the other districts.

Thank you for your time and energy spent on this effort.
