

Hello,

Please know that I am in favor of the District 10 map produced on September 28th.

As well, all of NW AUSTIN STRONGLY SUPPORTS the District 10 that starts above 2222 – PLEASE go back to the September 28th map and move the southeastern boundary to start at 2222, but to otherwise follow the ICRC map from September 28th. We appreciate and respect Tarrytown, Brykerwoods and Rosedale, but NW Austin would like to remain with our communities of interest.

Thanks

Pamela Armour
