

I live in Northwest Hills and **STRONGLY SUPPORT** a District 10 map that starts north of 2222. **Please return to the map dated 9/28 and move the southeastern boundary to start at 2222.** I do not think my neighborhood shares enough interest with the neighborhoods of Tarrytown, Brykerwoods, and Rosedale, although they are lovely neighborhoods. Those of us in Northwest Austin have different issues and needs in a representative than those communities closer to downtown.

Respectfully submitted,

Sheila Ellwood
