

NW AUSTIN STRONGLY SUPPORTS the District 10 that starts above 2222 - - - PLEASE go back to the ICRC September 28th map and move the southeastern boundary of District 10 to start at 2222 and to otherwise follow the ICRC map from September 28th. We appreciate and respect Tarrytown, Brykerwoods and Rosedale, but NW Austin would like to remain with our communities of interest. There are significant different needs of our NW Austin communities from those closer to downtown. Don't make this grave mistake to lump is all together, please.

Sincerely,

Madelon Highsmith
