

To Whom it May Concern:

NW AUSTIN STRONGLY SUPPORTS the District 10 that starts above 2222 – PLEASE go back to the September 28th map and move the southeastern boundary to Start at 2222, but to otherwise follow the ICRC map from September 28th. We mean no disrespect to Tarrytown, Brykerwoods and Rosedale, but NW Austin would like to remain with our communities of interest.

Thank you,
Mason Dykstra
NW Austin resident
