

Mr. Tounget-

I have been involved in neighborhood and City politics for many years and voted against the district system, but that is not the system we now have. That being said, I want to congratulate you and your committee for whacking the pie up in a fairly tolerable fashion. My home next to the Lions Municipal Golf Course in west Austin will be in District 10 in your final map iteration, and although it shears off some of our neighborhood planning area, I am just going to learn to live with it. Time to make new friends.
