

Dear Mr. Tounget and ICRC Members,

I have just become aware of a recent change in the proposed boundaries of District 10

I would like the record to reflect that I support a Southern boundary at 2222 and an Eastern boundary at Mopac.

I feel that this more correctly represents a harmonious picture of interest in the Northwest area. I think that to link this area with the Tarrytown, Bryker Woods and Rosedale area would represent too wide a variance in community, interest, patterns and perhaps philosophy,

What I recommend is close to the original draft of September 28<sup>th</sup> and I heartily recommend this to you and the ICRC Board.

Sincerely

Richard E. and Barbara Sykes
