

My neighborhood a part of NW AUSTIN STRONGLY SUPPORTS -
the District 10 that starts above 2222 - PLEASE go back to the September 28th
map and move the southeastern boundary to Start at 2222, but to
otherwise follow the ICRC map from September 28th. We mean no disrespect
to Tarrytown, Brykerwoods and Rosedale, but NW Austin would like to remain
with our communities of interest.

Thank you in advance for your support in this matter.
