

Dear Commissioners,

I live in Northwest Hills at 3911 Hyridge Dr. I object to the most recent version of the proposed Austin City Council Boundaries.

NW AUSTIN INSISTS the District 10 that starts above 2222 PLEASE go back to the ICRC September 28th map and move the southeastern boundary of District 10 to Start at 2222., but to otherwise follow the ICRC map from September 28th. We mean no disrespect to Tarrytown, Brykerwoods and Rosedale, but NW Austin would like to remain with our communities of interest.

Regards,

Jenny Jackson
